Protecting animals since 1873

A **gift** in your will to RSPCA
Darwin

Remembering the RSPCA in your will perpetuates your commitment to 'all creatures great and small'.

As an animal loving person, you will be passionate about their ongoing welfare.

By writing a bequest to RSPCA Darwin, you'll be leaving a legacy of lasting change to animal comfort and security. Just a few words in your will can make a very real difference to helping us continue our services assisting and protecting animals.

Help the RSPCA create a better world for animals

As an RSPCA supporter, your bequest is an enduring commitment that will play a vital role in helping us provide the highest standards of care to animals in need. Your gift will also support change for the humane treatment of animals right across Darwin.

Sharing a future

Making a bequest is a very special gesture, and one that deserves to be recognised. When you share your plans with us, we look forward to sharing our long term plans for the future of animal welfare with you.

Once you have made a bequest to the RSPCA, please let us know. Simply contact the office on 08 8984 3795 or email admin@rspcadarwin.org.au

A caring commitment

You may elect to leave a bequest to the RSPCA either as a specific amount, a percentage of your estate or the residue of your estate.

However, by making a percentage or residual bequest, the value of your bequest will not be eroded over time. Making a will need not be expensive or difficult. A solicitor or trustee company can help you.

Choosing your words

Your bequest means a great deal to the RSPCA. It will be used to fund critical animal welfare services, as soon as your bequest is realised. Any surplus funds will be invested for long term RSPCA operations. To ensure your wishes are accurately carried out, it is important to use the correct wording.

For your convenience, we include the following recommendations on how to word your bequest.

"After payment of all my debts, funeral and testamentary expenses and all duties, taxes and charges payable on my Estate at my death, I give to The Royal Society for the Prevention of Cruelty to Animals (Darwin Regional Branch Inc) Incorporated.(RSPCA):

[insert amount]% of my Estate for the general purposes of the RSPCA;

OR

the residue of my Estate for the general purposes of the RSPCA;

OR

the sum of \$[insert amount] for the general purposes of the RSPCA;

I declare that the receipt of the treasurer or other proper officer of the RSPCA will be sufficient discharge for my Trustees."
